There is evidence that a doorway has previously been blocked up in the location where we wish to site the new doorway, we will thus be re-instating a doorway. The creation of the doorway will necessitate other works; a partition wall around a toilet will need shortening and a new doorway into the toilet will be required as well as the re-location of the sink in the toilet further down the wall. There will also be some other associated plumbing works and electrics, e.g. re-siting of a fuse box, re siting of light switches.
- P20/064** **20/01491/FUL**  
**Location:** Station Mill, Station road, SO24 9JQ  
**Proposal:** Change of use of second floor within Mill Building to treatment rooms in connection with approved mixed-use development of site for restaurant, gym/fitness/yoga/treatment rooms/office space at Station Mill, Station Road.
