## **Recreation & Environment Committee Meeting**

FC Seniors Reps; Barry Small, 077 4859 5743, [barry\\_small@sky.com](mailto:barry_small@sky.com)  
Paddy Walshe, 077 6922 5919, [l6ecw@sky.com](mailto:l6ecw@sky.com)

**Date: Tuesday, March,3rd, 2020, 19:30**

### **Apologies for absence;**

Baz and I will be looking after the football game on at home on this date. Please accept our apologies.

### **Senior Football Report; Team News;**

The team are still in a positive place at second in the table and can still win promotion, (See latest league tables below). The weather continues to disrupt both home and away games seriously. Fingers crossed we can get our game on.

### **Pitch/Park/ARC;**

We are working hard to make our pitch playable but two steps forward turn into ten step backwards with the rain and wind.

### **Car Parking match day issues;**

We are working to get a lot more "DO NOT PARK" signs put together but until complete we will organise a marshall to insure the "THE AVENUE" grass verges are traffic free of parking.

### **AOB;**

We would like to add nets to the existing lower perimeter fences on three parts of the pitch.

The objective is to minimise the dog fouling on the pitch. Also the time wasted getting balls back from outside the lower barriers.

**TABLE AS ON TUESDAY MARCH, 2<sup>ND</sup>, 2020.**

**PREMIER DIVISION**

## **Alresford Rugby Football Club – Report 3/3/30**

- ARFC's 1st team has been hit by injuries and notwithstanding our current inadequate training facilities, we lie 9th of the 13 teams in the Hampshire Premiership, which given our upcoming five fixtures to the end of the season (3 eminently winnable) should ensure that we stay up
- ARFC's 2nd team lie 4th of 19 teams in Hampshire III only 7 points behind the leading team; we are hugely encouraged by the number of new players joining the club and had 24 players available for the 2nd team last Saturday
- ARFC are planning to start a women's team next season and we will have representatives at our meeting this evening from Winchester University that are behind this initiative
- ARFC Minis continue to attract good numbers on Sunday mornings and we have had sides in recent local minis festivals and one-on-one games
- This month we intend to apply to Winchester City Council for planning permission to install floodlights on the 1st team pitch as outlined at the last Rec & Env Comm Mtg on 4th February
